What Is God Like? A companion to the best-selling The Gospel according to Harry Potter: Spirituality in the Stories of the World's Most Famous Seeker, this ten-session study, appropriate for youth and adults, explores the religious themes that are prevalent in the popular series of children's books and films. Each session recommends scenes from the DVD and video releases of the first two Harry Potter movies, along with corresponding passages from the books, to facilitate discussion.

Exposing Harry Potter and Witchcraft The novel's protagonist is a British Roman Catholic priest, Father Percy Franklin, who looks identical to the mysterious U.S. Senator Julian Felsenburgh of Vermont. The senator appears as a lone and dramatic figure promising world peace in return for blind obedience. No one quite knows who he is or where he comes from, but his voice mesmerizes. Under his leadership, war is abolished. Felsenburgh becomes the President of Europe, then of the world, by popular acclaim. Everyone is fascinated with him, yet still no one knows much about him. People are both riveted and frightened by the way he demands attention. Most follow without question. Having been a close observer of President Felsenburgh's rise, Father Franklin is called to Rome, a Hong Kong-style enclave ruled by Pope John XXVI and raised to the College of Cardinals. Meanwhile, defections among bishops and priests increase. At Cardinal Franklin's instigation, the pope abolishes the Eastern Catholic Churches and forms a new religious order, the Order of Christ Crucified. All its members, including the Pope, vow to die in the name of the faith.

A Parent's Guide to Harry Potter

"Children who are introduced to God, through attending church or having loved ones who speak often about God, often have a lot of questions, including this ever-popular one: What is God like? The late Rachel Held Evans loved the Bible and loved showing God's love through the words and pictures found in that ancient text. Through these pictures from the Bible, children see that God is like a shepherd, God is like a star, God is like a gardener, God is like the wind, and more. God is a comforter and support."

From comic books to summer blockbusters, all people enjoy art in some form or another. However, few of us can effectively explain why certain books, movies, and songs resonate so profoundly within us. In Echoes of Eden, Jerram Barrs helps us identify the significance of artistic expression as it reflects the extraordinary creativity and unmatched beauty of the Creator God. Additionally, Barrs provides the key elements for evaluating and defining great art:

1. The glory of the original creation;
2. The tragedy of the curse of sin;
3. The hope of final redemption and renewal.

These three qualifiers are then put to the test as Barrs investigates five of the world's most influential authors who serve as ideal case studies in the exploration of the foundations and significance of great art.

But here in the New World, amid this community of saints, Mary is the second wife of Thomas Deerfield, a man as cruel as he is powerful. When Thomas, prone to drunken rage, drives a three-tined fork into the back of Mary's hand, she resolves that she must divorce him to save her life. But in a world where every neighbor is watching for signs of the devil, a woman like Mary—a woman who harbors secret desires and finds it difficult to tolerate the brazen hypocrisy of so many men in the colony—soon becomes herself the object of suspicion and rumor. When tainted objects are discovered buried in Mary's garden, when a boy she has treated with herbs and simples dies, and when their servant girl runs screaming in fright from her home, Mary must fight to not only escape her marriage, but also the gallows.
