The Analects of Confucius

Confucius (Stanford Encyclopedia of Philosophy)

Professor Yu Dan’s Insights into the Analects recently became a bestseller.

So it’s not surprising that the texts focus more on 

Legge, James Confucius: Confucian Analects, The Great Learning and the Doctrine of the Mean.460 quotes from Confucius: ‘By three methods we may learn wisdom: First, by reflection, which is noblest; Second, by imitation, which is easiest; and third by experience, which is the bitterest.’, ‘It does not matter how slowly you go as long as you do not stop.’, and ‘Everything has beauty, but not everyone sees it.’Confucius taught that one the key to self mastery was through scholarship and study. He stated “He who learns but does not think is lost. He who thinks but does not learn is in great danger.”

Confucius was a Chinese philosopher and social theorist. His teachings are expressed in short phrases, which are open to interpretation. He is considered the first teacher, and his teachings are considered the basis of Chinese culture.

The Analects (Chinese: 论语; pinyin: Lúnyǔ; Old Chinese: [r]uŋ(r)aʔ; meaning “Selected Sayings”), also known as the Analects of Confucius, is a Chinese text that contains the sayings and teachings of the Chinese philosopher Confucius. The text is an important source of the early development of Chinese thought, and it has been influential in Chinese literature and culture for over 2,000 years.

Confucius (Kongzi) was a 6th century BCE Chinese philosopher. His thoughts, expressed in the philosophy of Confucianism, have influenced Chinese culture right up to the present day. Confucius was a master teacher and his teachings are open to interpretation. He is often referred to as the "Confucius" in the West, although he was actually the name of his family.

Confucius was also known as Kongfuzi or Master Kong, and he is considered to be the founder of Confucianism, the dominant philosophical and ethical system of China. His teachings are found in the Analects, a collection of brief passages that present the words of Confucius and his disciples. The Analects is considered to be one of the most important texts in Chinese literature and culture, and it has been translated into many languages. The text is known for its simplicity and its focus on moral principles and social harmony.

The Analects of Confucius A Philosophical Translation

Confucius (Kongzi) was a 6th century BCE Chinese philosopher. His thoughts, expressed in the philosophy of Confucianism, have influenced Chinese culture right up to the present day. Confucius was a master teacher and his teachings are open to interpretation. He is often referred to as the "Confucius" in the West, although he was actually the name of his family.

Confucius was also known as Kongfuzi or Master Kong, and he is considered to be the founder of Confucianism, the dominant philosophical and ethical system of China. The Analects is considered to be one of the most important texts in Chinese literature and culture, and it has been translated into many languages. The text is known for its simplicity and its focus on moral principles and social harmony.
was a Chinese philosopher, politician, and teacher whose message of knowledge, benevolence, loyalty, and virtue were the main guiding philosophy of China for thousands of years. Confucius's teachings were later turned into an elaborate set of rules and practices by his numerous disciples and followers, who organized his teachings into the Analects. Confucius's disciples and his only grandson, Zisi, continued...

Mar 22, 2021 · The Analects of Confucius provide a vivid record of his teachings but although he wrote nothing personally, his words were collected and recorded for posterity by his disciples.
